DEDICATION

We, the Class of '54, to dedicate this
1954 Excelsior to you, Garetta De Boer.
Each letter of your name has a meaning
and gives us ample reason for this
attempt of thanking you. We dedicate this
book to you because:

Giving of your time so generously.
Always there to help us.
Returns a smile when we complain.
Endeavoring to make school more pleasant.
"Telephone for you" you call to us.
Time is no factor, thoroughness is your motto.
Aspirins and band-aids —— you have a generous supply.
Doing "little extras," but with no thought for reward.
Excuses from you we often obtain.
Bookkeeping and finances you keep in order.
Often showing patience we don't deserve.
Efficient in all you do.
Remaining with us for 8 years.

Every climber needs help and advice as he goes on his journey, and in the administration we find our climb is made easier and more efficient.

The administration consists of the School Board, Student Council, Teachers, and not to be forgotten are the office clerk, janitor and bus drivers.

We, as students of the Lynden Christian High School, are deeply grateful to God for providing us with an efficient ruling body to guide and influence us, and to make our climb an easier one.

DEAR GRADUATES

Dear Graduates:

Ever since the beginning of time it has been man's desire, when he beheld the lofty mountain-tops, to climb and conquer them. As we read about these feats of skill and endurance we cannot help but come to the conclusion that ventures of this kind, cannot be accomplished on a moment's notice or on an impulse but instead they need careful consideration and months, yes, sometimes years of preparation. In order to be reasonably certain of success it is wise among many things to be acquainted with the terrain to be traveled upon, acquire the necessary equipment and provisions, but most important to employ a guide who is experienced and can be trusted to lead under any circumstance which might arise.

In climbing life's mountain our needs are not unlike the mountain climbers of today. We also need the right preparations and equipment if we are going to reach our goal, but above all we need guidance in that goal. What a privilege it is for God's children to have a Guide who will lead us from the very beginning of our life to the highest goal to be attained, namely to life eternal.

Class of 1954, it is your board's sincere desire that you collectively and individually may choose your covenant God as your Guide on life's pathway.

"For this God is our God forever and ever: He will guide us even unto death." Psalms 48:14

The Student Council (of 1954-53) is very happy to have been able to serve the student body again this year. They have done so willingly with a sacrifice of time and effort. Through the cooperation of the students and the guidance of Mr. Snapper and Mr. Koops the work of the Student Council this year has been made pleasant and successful.

To start off the year with a feeling of good will and friendship the Student Council gave the "Mixer". To keep affairs running smoothly committees were appointed to take care of chapel services and assembly programs. Several special assemblies were arranged, and as a bonus, films were shown at noon-hours. The Student Council was also responsible for organizing and supporting a voluntary organization for putting out a school paper.

The Student Council has also been active in the field of sports this year by providing improvements and new equipment whenever and wherever possible. To promote school spirit, elections were held for the yell leaders. Pep rallies were also held before the games. Letter awards were given for accomplishments in sports.

The Council wishes to thank the students for their fine cooperation, and it is the desire of the members that everyone may have benefited from this work.

PRINCIPAL'S MESSAGE

Climbing a mountain is a thrilling experience. Standing astride a rocky crag far above the timber line, gazing across the boundless green forests and valleys at distant snow-clad peaks, stirs my soul to exclaim, "What hath God wrought! Isn't it magnificent!" Thus mountain climbing becomes a God-glorifying experience.

The experiences of life for the Christian are like that. Your training in home, church, and school has prepared you for the trip up the mountain of life. You have a guide, your Bible, to point out the trail. The trail will be "strait and narrow" in places, so the climb will not be easy. But thru faith the ascent will be successful, and you will be privileged to gaze on the beautiful vistas of eternity, and there speak the praise of God for His wondrous grace in guiding you along the trail.

May this ascent of life's mountain ever be a God-glorifying experience for you.

Mr. Bernard Koops

AT LAST——WE HAVE REACHED THE SUMMIT. LOOKING BACK WE SEE BEHIND US TWELVE YEARS OF EDUCATION.

OFTEN THE TRAIL HAS BEEN ROUGH AND THE CLIMBING DIFFICULT. BUT WE REMEMBER THE PLEASURES AND BLESSING WE EXPERIENCED ALONG THE WAY.

FOR OUR CHRISTIAN EDUCATION WE ARE ESPECIALLY GRATEFUL AND TO ALL THOSE WHO MADE IT POSSIBLE FOR US TO ATTEND THIS SCHOOL, WE EXPRESS OUR APPRECIATION.

GOD HAS BEEN OUR GUIDE AND HIS PRESENCE NEAR US HAS BEEN OUR SUPPORT. SO WE WILL TRUST HIM IN THE FUTURE AND AS WE GO INTO LIFE WITH HIS HELP WE WILL BE "MORE THAN CONQUERORS."

Class Journey

As we Seniors, the class of 1954, stand on the threshhold of a new period of our lives, we pause for a moment to look back over our past.

In the year of 1950 as humble freshmen, we entered the halls of Lynden Christian High. under the leadership of Mr. De Jong. We soon became acquainted with the life of a High school student. The Mixer made us feel at home but we still had new experiences such as examinations and a new study routine. But we did have fun that year.

The next year, 1951, we were sophmores. And how big we felt! For we realized that we were no longer the youngest class in school. As the year went by our bigness vanished for we were still only underclassmen. We were kept in check and guided by our homeroom teachers, Mr. Engbers and Miss Shoemaker.

The next September of 1952, we returned to find ourselves as upperclassman. Then we did feel big, only there were still those Seniors, but they didn't worry us, or did they? We got along with them as best as we could. That was an important year in our career, for we had the privilege of giving the Junior-Senior banquet. We all worked hard with Mr. De Boer, our homeroom teacher, to make it a success. We also received our class rings. How proud we were of them, even though some found their way to one of the opposite sex.

Finally after our vacation, we entered the halls of Lynden Christian, as mature Seniors, rulers of everyone with the exception of the teachers. These last nine months of our career in school were filled with fun, worries, and achievements. Many of our members, brought glory to our class. One of our members won first place in the "Voice of Democracy" contest, in Bellingham. Others brought honor in debating, sports, dramatics, and in various clubs. The closing months of school were filled with fun such as our class party and Senior Outing. And then that final grnad closure of our highschool career, "GRADUATION" and we are now ready to take our stand in the world.

As we look back over our past, we thanked God that He has spared us throughout these four years and pray and trust that God will keep us and lead us through the days that lie ahead. Now, as we leave to face the world, we as Seniors of 1954 bid farewell to the halls of Lynden Christian High.

ACTIVITIES

In our climb for higher heights there are activities in which we engage. Our chapel service is one of the most important of these. Our chapel services and choruses give us opportunity to glorify God in the singing of His praises and the hearing of His word.

Talents among the climbers can also be displayed in such activities as debate and the paper and annual staff.

Many of our activities give us an opportunity for rest and meditation as every climber must have.

Chapel

In our climbing there is one thing that greatly aids us. It is found in our weekly chapel service. The whole student body and faculty gathers for singing and hearing a short message. The students take part by leading the singing, rendering a special number and reading a portion of scripture. Our message and prayer is given by a faculty member or an outside guest. This hour a week is certainly inspiring. It gives us new ideals for our Christian life and provides an opportunity to praise our Almighty God and wonderful Savior.

Highlight Staff

The mountain climber needs not only physical fitness, but also he must have a strong character. Disappointments and failures must not allow him to become discouraged and down-hearted. So, too, the athletes in our school must be willing to accept losses cheerfully. We must be good sports, and in every way play a game that is honest and clean to our opponents.

We hope that God may always bless our school with athletes that possess such noble traits.
